

The first row of the worksheet features a three-band background: light blue sky, green grass, and brown earth. On the left, there is a mole character, a cloud, and two worms. On the right, there is a sun behind a cloud and a tuft of grass. The letter 'u' is written in a large, solid black font with yellow arrows indicating the stroke direction. To its right, a dotted 'u' is provided for tracing. Three yellow stars are placed on the ground line: one to the left of the solid 'u', one between the solid and dotted 'u', and one to the right of the dotted 'u'.

The second row is identical to the first but contains no text or handwriting elements, serving as a blank space for practice.

The third row is identical to the first but contains no text or handwriting elements, serving as a blank space for practice.

The fourth row is identical to the first but contains no text or handwriting elements, serving as a blank space for practice.

The fifth row is identical to the first but contains no text or handwriting elements, serving as a blank space for practice.
